

MIOTY® LICENSING PROGRAM – NEPs (NON-ESSENTIAL PATENTS) LIST

The information below is provided for the convenience of the parties interested in a license under the NEPs of Sisvel’s MIOTY® Licensing Program, and it is not intended to be exhaustive or restrictive. It contains a list of patents that are deemed complementary for implementing the MIOTY® technology in end consumer products.

Please also note that the license offered may include patent applications and/or patents that are not (yet) listed in this document, as they still may be in prosecution. This document may also include patents that may have lapsed/expired or may lapse/expire during the terms of any license offer, which only require royalties for past use during the corresponding terms of such patents.
