

SISVEL WI-FI LICENSING PROGRAM

The information below is provided for the convenience of the parties interested in a license under the Patents of Sisvel's Wi-Fi Licensing Program, and it is not intended to be exhaustive or restrictive. The versions of the technical specifications indicated below are exemplary, and previous or subsequent versions of such specifications may also be relevant. Please note that the listed patent families may be essential to separate specifications and/or sections in addition to those disclosed below.
