Licensee shall submit the full royalty statement in accordance with this Section 4.1, in a file type specified by Licensors via e-mail to the address videocoding.reporting@sisvel.com. Upon request from Licensors, Licensee shall render to Licensors the above full royalty statement in electronic format through an extranet or other internet website established for such purpose by Licensors. Licensee shall provide to Licensors all such full royalty statements for all the calendar quarters become due after the Effective Date of this Agreement in accordance with this Section 4.1 on or before Licensee's signature of this Agreement.

- 4.2 If Licensee or any Licensee Affiliates purchase or otherwise obtain licensed AV1 Products from a third party that is licensed by Licensors or the AV1 Patent Owners to Make and/or Sell AV1 Products under the AV1 Patents, and such third party has: (a) timely fulfilled its royalty payment obligations under such license for all such AV1 Products; and (b) has provided Licensors with a written declaration, subject to written approval by Licensors, stating that it will be responsible for paying the royalties for such AV1 Products prior to such AV1 Products being purchased or otherwise obtained from that third party by Licensee, then Licensee shall have no royalty obligation under this Agreement for such AV1 Products.

- 4.5 It is understood and agreed that in all cases other than described to the contrary under Sections 4.2 and 4.3 Licensee has the obligation to pay royalties for such AV1 Products according to the terms of this Agreement. For the avoidance of doubt, any (partial) exhaustion of patent rights shall not apply insofar any products Made for and/or Sold to any third party for which a royalty has not been paid, regardless of whether such third party is subject to obligations of a license agreement under the relevant AV1 Patents for AV1 Products and shall therefore not affect the responsibility of Licensee to pay royalties to Licensors under this Agreement with respect to such unlicensed products.

- 4.6 Licensee shall separately report in the royalty statements as per Section 4.1 the total number of units of AV1 Products that Licensee and/or Licensee Affiliates Made for or Sold to a third party licensed with respect to such products under the relevant AV1 Patents in the preceding calendar quarter provided that no royalty for such products is due by Licensee pursuant to Sections 4.2 and 4.3, and, the following details for each shipment or delivery of the relevant AV1 Products: the model number, a brief description of the product or product type, the brand or trademark on the product (if any), the full name of the customer, the country of Sale, the full name of the manufacturer (or the direct supplier, as the case may be), the country of manufacture and/or Sale.
- 4.7 Upon request from Licensor, Licensee will provide documentation sufficient to demonstrate that any Product listed in the report as per Section 4.6 were purchased from or Sold to a licensed third party including, but not limited to, invoices showing such purchase or Sale. If Licensee fails to provide Licensor with such documentation within thirty (30) days of Licensor's request, Licensee will pay the due royalties for all such Products for which no such documentation has been provided to Licensor within fifteen (15) days after the date of Licensee's failure.
- 4.8 Licensor shall not disclose any of the information comprised in the royalty reports provided by Licensee or Licensee Affiliates under this Agreement to any third party, except: (a) Licensor's affiliates are not considered third parties; (b) if such disclosure was done in an aggregated form, anonymizing any third party information; (c) as provided for in this Agreement or with the prior written consent of Licensee or Licensee Affiliate; (d) to any governmental body specifically requiring such disclosure (e.g. customs for verification of license compliance to prevent seizure of goods); (e) for the purposes of disclosure in connection with any possible financial or regulatory filings, reports or disclosures that may be required under applicable laws or regulations; (f) to a Party's accountants, legal counsel, tax advisors and other financial and legal advisors, subject to obligations of confidentiality and/or privilege at least as stringent as those contained herein; (g) if disclosure is demanded by a subpoena, order from a court or governmental body, or as may otherwise be required by law or regulation, and, if legally possible, subject to protective order or written agreement between counsel that such disclosure shall be limited to "Attorneys' Eyes Only"; and, in the case disclosure is pursuant to a protective order, such protective order shall provide, to the extent practicable, that any disclosure under a protective order would be protected under an "Attorneys' Eyes Only" or higher confidentiality designation; (h) if the information is obtained from another source than the royalty reports; or (i) if the information is made publicly available by Licensee.
- 4.9 Licensee and Licensee Affiliates shall keep and maintain accurate and detailed books and records in paper or electronic form including, but not limited to, all books and records related to the organization chart showing the relationship of Licensee and all Licensee Affiliates and all production, purchases, stocks, deliveries, technical specifications of all products, and sales records related to AV1 Products (all books and records collectively referred to as "Necessary Records"). Necessary Records pertaining to a particular royalty reporting period, including

Necessary Records relating to the Making and/or Selling of any AV1 Products, shall be maintained for five (5) years after the expiry of the Term.

- 4.10 Licensor shall have the right to audit Licensee's and Licensee Affiliates' Necessary Records once per calendar year for verification of the amount of AV1 Products actually Made and/or Sold during the Term in comparison to the amounts reported as Made and/or Sold according to Article 4. Licensor will give Licensee written notice of such audit at least five (5) days prior to the audit. All such audits shall be conducted during reasonable business hours. Any audit under this Section 4.10 shall be conducted by an independent certified public accountant or equivalent ("Auditor") selected by Licensor. It shall be a material breach of this Agreement for Licensee and/or a Licensee Affiliate to fail to cooperate with the Auditor and/or to fail to provide the Auditor with all Necessary Records requested by the Auditor regardless of whether Licensee claims that such Necessary Records are subject to confidentiality obligations.
- 4.11 The cost of any audit under Section 4.10 shall be at the expense of Licensor; provided, however, that Licensee shall bear the entire cost of the audit, without prejudice to any other claim or remedy as Licensor may have under this Agreement or under applicable law, if: (i) the audit reveals a discrepancy that is greater than three percent (3%) of the number of AV1 Products reported by Licensee or Licensee Affiliates in any of the quarterly royalty statement during the period to which the audit refers; (ii) the audit identifies any Licensee Affiliate involved in the Making and/or Sale of any AV1 Products and not listed in **Exhibit A** of this Agreement or included in the organization chart; (iii) Licensee has failed to submit any royalty statements by their due date, as per this Article 4, in respect of the period to which the audit relates; and/or (iv) Licensee or any Licensee Affiliates refuse or obstruct the audit, or the Auditor reports that Licensee or any Licensee Affiliates have refused or obstructed the audit, such as, for example, by refusing to supply all Necessary Records requested by the Auditor.

5. Representations and Warranties

- 5.1 Licensor represents and warrants that it has the authority, power, and right to enter into this Agreement and to grant Licensee and Licensee Affiliates the rights, privileges, and releases herein set forth.
- 5.2 Nothing in this Agreement shall be construed as: (a) a warranty or representation by Licensor as to the validity or scope of any of the AV1 Patents; (b) a warranty or representation by Licensor that anything Made and/or Sold under any right granted in this Agreement is free from infringement or will not infringe, directly, contributorily, by inducement or otherwise under the laws of any country any patent or other intellectual property right different from the AV1 Patents; or (c) a warranty or representation by Licensor that the AV1 Patents include all patents necessary for compliance with the relevant AV1 Specification throughout the world.
- 5.3 Each Party represents and warrants that this Agreement and the transactions contemplated hereby do not violate or conflict with or result in a breach under any other agreement to which it is subject as a party or otherwise.

- 5.4 Each Party represents and warrants that, in executing this Agreement, it does not rely on any promises, inducements, or representations made by the other Party or any third party with respect to this Agreement or any other business dealings with the other Party or any third party, now or in the future except those expressly set forth herein.

- 5.6 Other than the express warranties set forth in this Article 5, the Parties make NO OTHER WARRANTIES, EXPRESS OR IMPLIED.

6. Term and Termination

- 6.1 This Agreement is effective as of the Effective Date and will be in force and effect for a term of five years (5 years) after the Effective Date ("Initial Term"), unless terminated earlier by Licensor in accordance with Section 6.3 or Section 6.4, or extended as per Section 6.2 (whatever duration of this Agreement applies is referred to as "Term").
- 6.2 The Initial Term of this Agreement shall automatically be extended for subsequent periods of five years (5 years) after the expiry of the Initial Term or any subsequent five years (5 years) period(s), unless a Party provides written notice of termination to the other Party no later than six months (6 months) before expiry of the Initial Term or expiry of any subsequent five years (5 years) period(s) ("Extended Term"). In the event that this Agreement expires, Licensee hereby, on behalf of itself and its Licensee Affiliates, represents and warrants that as of the date on which this Agreement expired, Licensee and Licensee Affiliates shall immediately cease to Make and/or Sell AV1 Products, unless Licensee and its Licensee Affiliates has/have otherwise acquired separate licenses under the AV1 Patents.
- 6.3 In the event of a material breach of Licensee, Licensor has the right to terminate this Agreement with immediate effect. In the event of failure of Licensee to comply with Section 8.6, in particular with respect to Export Regulations, Licensor is entitled to terminate this Agreement with immediate effect and without Licensor incurring any liability. In the event that this Agreement is terminated by Licensor, Licensee, on behalf of itself and its Licensee Affiliates, represents and warrants that at the time of said termination of this Agreement, Licensee and Licensee Affiliates shall immediately cease to Make and/or Sell AV1 Products unless Licensee and/or Licensee Affiliates have otherwise acquired separate licenses under the AV1 Patents.
- 6.4 In the event of failure of Licensee to report royalties, provide due assistance and/or make payment for any due amounts, Licensee shall have thirty (30) days to remedy such failure, of which failure Licensor shall provide notice, until such failure shall be considered material breach. In the event aforementioned types of failure occur multiple times within the Term, Licensor may consider this a material breach with no further right for Licensee to remedy.

- 6.5 Licensors have a right to terminate the rights granted to Licensee under this Agreement with immediate effect in case that Licensee or any of Licensee's Affiliates asserts and/or has asserted a claim or brings a claim in a lawsuit or other proceeding against AV1 Patent Owner and/or Patent Owner Affiliates that any products of AV1 Patent Owner and/or Patent Owner Affiliates infringe any patents or patent applications owned or controlled by Licensee and/or Licensee's Affiliate, and such patent having at least one claim of which is either necessarily infringed or the practice of which, as a practical matter, cannot be avoided in remaining compliant with the AV1 Specification ("Licensee's AV1 Patents") and Licensee refuses to grant a license, covenant or release to AV1 Patent Owner and/or Patent Owner Affiliates on fair, reasonable and non-discriminatory terms and conditions under such Licensee's AV1 Patents. For clarity: In case of a termination as set forth herein-above, Licensee shall have no claim for a refund of any Compensation already paid. For further clarity: Rights granted to Licensee with respect to AV1 Products, for which Licensee has paid Compensation until the termination becomes effective, will remain covered by the respective grant of rights, however, AV1 Products not covered by the Compensation at this stage will be unlicensed as of the effective date of the termination.

and shall follow any instructions Licensor may issue relating thereto. Licensee shall indemnify Licensor and AV1 Patent Owners from any expense or damage resulting from Licensee's conduct that violates or is alleged to violate any such law or regulation or resulting in a violation or alleged violation of any such law or regulation by Licensor or any AV1 Patent Owner. This Section is an essential element of the Agreement.

- 8.7 This Agreement or any right or obligation thereof may not be assigned by Licensee without Licensor's prior written consent.
- 8.8 This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and replaces any prior oral or written agreements between the Parties involving the same.
- 8.9 Should any individual provisions of this Agreement be invalid, this shall not affect the validity of the remaining provision of this Agreement as a whole. The Parties undertake to replace any invalid provision by a new provision which will approximate as closely as possible the economic and legal result intended by the invalid provision.

IN WITNESS WHEREOF, the Parties have caused this Agreement to become effective on the Effective Date.
