

MIOTY® LICENSING PROGRAM: NEPs (NON-ESSENTIAL PATENTs) - PATENT BROCHURE

The information below is provided for the convenience of the parties interested in a license under the NEPs of Sisvel MIOTY® Licensing Program, and it is not intended to be exhaustive or restrictive.

Please also note that the brochure includes patents that may have lapsed/expired as of the date of the publication of this brochure or may lapse/expire during the terms of any license offer, which only require royalties for past use during the corresponding terms of such patents. The existence of patents being lapsed/expired during the term of a license agreement has been accounted in the rates offered under any of the relevant license offers.
